Early Bird Program

Join Bob Jenks, M. Photog., Cr. and Don Whipple as they dive into the naked truth about portrait photography. Lighting from the basics up; equipment choices from then and now; a look at techniques that will never go away in the fine art of photographic portraiture. This will be a hopping few hours of intense "nuts and bolts" that bridges generations of technology with a whole lot of experimentation and adventure. It will surely leave you so motivated... you'll have all you can do to keep your clothes on!
